

SPONSORSHIP OPPORTUNITIES

Join our Blues family, a club rich in history over 150 years old!

The Launceston Football Club has been a pillar of the local football community since 1875, making us the oldest continuing club in Tasmania. A backbone of the Tasmanian football community for the past 150 years, our senior teams are competing in the Northern Tasmania Football Association (NTFA) Premier League since 2025, while our Juniors are in the Northern Tasmania Junior Football Association (NTJFA).

With 12 teams competing across various competitions, our brand is seen by many on a wide range of platforms including on field and off field apparel, television, print media, social media, signage and much more.

We boast a large following on our official Facebook page, paired with our Instagram presence, forming extremely important marketing opportunities.

Football is a sport for all ages and genders, and is one of the most family friendly in the country. We are a proud community club with outstanding values and culture.

Sponsorship is one of the most important parts of running a successful club, as costs to cover each player to take the field include ground lease, medical support, equipment, umpiring fees, AFL fees, insurance and much more. Our recent success is directly related to the support we receive from our loyal sponsors and members. Packages start from as little as \$385 and can be tailored to suit your individual needs.

The Launceston Football Club can provide your organisation with the opportunity to be involved in a community club and exposure for your business. We grant access to a large network of possible customers in Northern Tasmania. There is no better time to show your support and get behind our club than now!

Benefits include heightening awareness and recognition of your company brand in the local community, effective advertising and exposure, opportunities to entertain your clients or staff members at the games, as well as at functions held throughout the year.

We invite you to partner with the Launceston Football Club and reap the benefits of aligning with a brand that is continually striving for success and growth.

Launceston Football Club President - Scott Stephens

MISSION, VISION & GOALS

Our Mission

The Launceston Football Club is a community based club committed to the development and promotion of Australian Rules Football within the city of Launceston and the greater West Tamar community of Tasmania.

Our Vision

To be the leading, most respected sports & community club in Tasmania.

Our Goals

- To participate in all final's series, in all grades and leagues each year
- To provide a clear pathway for our juniors to develop and continue their football journey
- To encourage and support our players to become the best version of themselves
- To be a respected corporate citizen through the development of partnerships with the business, sporting, and service communities of Tasmania
- To ensure the long-term success and future of the Launceston Football Club, meeting the needs of our local football community
